Elementary students paying cash daily or have exhausted their lunch ticket will be permitted to charge no more than 5 lunches. Charged lunches should be paid for the next school day. When students have reached 3 charged lunches, a warning envelope will be sent home advising the parent of the charged meals. In the event when a student has accumulated 5 charged lunches and doesn't have money for lunch, a modified lunch consisting of fruit, crackers and milk will be provided to the student. Meals will always be provided to K-3 students or any disabled student as per federal regulation. Students will not be permitted to purchase ala carte items when they have a negative balance for charged lunches. Secondary students are not permitted to charge lunches.
