Dear Superintendent:

Enclosed are several nomination forms for the 8th Annual Teacher Impact Awards, continuing again this year in our seven-county area. Rotary District 7390 is working with WGAL-TV to honor local educators with these Teacher Impact Awards.

As a fellow Superintendent, I encourage you to read the enclosed nomination form, and make copies of it. Copies are also available on the Rotary District and WGAL websites. You have some wonderful teachers in your district and principals could encourage students and parents to nominate them for a Teacher Impact Award. Please give copies to your principals and encourage them to nominate a terrific teacher. PTAs and Alumni Associations may want to nominate someone, as well. Nominations are due by January 24, 2014.

All those nominated will be invited to a special awards banquet on Monday, May 19, 2014, where winners will be honored. The five winners will receive a plaque and much press coverage, and WGAL will also create a video vignette of each teacher winner, to be shown at the banquet and on frequent WGAL newscasts. We expect significant press coverage for this event.

You and I know that many teachers are truly "unsung heroes," too seldom recognized for their value to students' lives. These Teacher Impact Awards are one way to honor our outstanding teachers, and show your support of your terrific faculty. Please join me in this effort to reward some of our best.

Sincerely,

Ann S. Keim, Retired Superintendent
Pequea Valley School District
