

ATTENTION SENIORS-PLEASE GIVE THIS TO YOUR PARENTS; IT'S ABOUT YOUR POST PROM

Memory Lane

One of the most cherished areas of the Post Prom is Memory Lane. This is an area where photo collages of the graduating seniors are displayed.

The guidelines for creating a Memory Lane poster are as follows:

- ✓ Posters should be NO larger than standard poster size (22x28)
- ✓ Display student's name on the front and write your name and phone number on the back
- ✓ NO frames, glass or loose pictures
- ✓ No revealing or naked pictures
- ✓ You may include family, preschool/school, baby, sports or any special photos on the poster
- ✓ You may decorate with stickers or any other way you would like
- ✓ At the end of the Post Prom party, students must take their posters home with them or you will need to make arrangements with Pam Conner [\(h\)717.872.2944](mailto:conner27@verizon.net) if not picked up.
