(To see these stories, visit www.MEOptical.com)

How It Works:

- 1) You get 20-50% off your new glasses!
- 2) 10% of all eyeglass sales are donated back to Penn Manor Family Fund.
- 3) For every 2 pairs of glasses sold, ModernEYES will give Penn Manor School District a voucher for a FREE pair of complete glasses for a student in need! And the student gets to pick the frame of their choice at ModernEYES!

ModernEYES is partnering with Penn Manor School District and others to help make glasses for students that need them but may not be able to afford them. So far, we have been able to make FREE glasses for over 150 local kids in need!
