

Parking Guidelines

The Penn Manor High School Administration recognizes that students enjoy the privilege of driving to school and parking on school property. Students must be in good standing to be eligible for a parking pass, which includes academics, discipline and attendance. Students who owe financial or discipline obligations will not be permitted to park on campus. Furthermore, as part of the district's drug screening policy, all students who wish to drive and park on school property will be required to submit to having their name placed in a pool for random drug screening.

PARKING PASSES ARE A PRIVILEGE
